EverPointe Elite

As Of October 08, 2020

IMPORTANT NOTICE

****Please note:** The location of the provider you are seeking services with must match what is listed in this directory. If it does not, this provider may not be participating.

You are strongly encouraged to contact us to verify the status of the providers involved in your care including, for example, the anesthesiologist, radiologist, pathologist, facility, clinic, or laboratory, when scheduling appointments or elective procedures to determine whether each provider is a participating or non-participating provider. Such information may assist in your selection of provider(s) and will likely affect the level of co-payment, deductible and amount of coinsurance applicable to the care you receive. The information contained in this directory may change during your plan year. Please use our website at www.continentalbenefits.com to learn more about the participating providers in your network and the implications, including financial, if you decide to receive your care from non-participating providers.
